Introduction

The South Region Women's Technical Committee (SRWTC) is a volunteer-led organisation run according to the constitution of the South Region Management committee which uphold standards and regulations for all gymnastics disciplines in the South region.

Working together to offer gymnast-centred opportunities for gymnasts to compete in a friendly and supportive environment, where all standards of club and gymnast are welcomed and celebrated.

Helping coaches develop, clubs to work together and judges to be recruited and trained so that gymnasts have the best possible opportunities and experiences.

Competitions and squads will aim to be well organised and timed, whilst offering a relaxed, welcoming and inclusive atmosphere.

The 2026 SRWTC handbook details the rules for all South region women's gymnastics competitions held in the coming year.

This handbook refers to the National WTC handbook, which details the nationally run competitions in the UK. You can find a copy of this and other BG rules which form the basis of our competitions [here](#)

Communication:

The Southern Region Women's Technical Committee (SRWTC) maintains an active online presence to share important updates, celebrate achievements, and promote Women's Artistic Gymnastics across the region.

SRWTC Online Noticeboard

Our website serves as the central hub for information: www.southwaq.com

Here you can access:

- Official rules and documents
- County and regional competition results
- Event updates and key announcements

Follow Us on Social Media

Stay connected with the latest news, results, and highlights by following us on: [Instagram](#) and [Facebook](#)

These platforms provide regular updates, gymnast spotlights, competition features, and important reminders for clubs, coaches, gymnasts, and supporters.

Sharing Club Successes

We actively encourage clubs within the Southern Region to share their successes with us so we can celebrate our clubs and gymnasts and showcase achievements across the region.

To help us feature your content:

- **Tag the SRWTC account** in your Instagram posts and stories.
- **Invite us to collaborate** on posts you would like us to share.
Inviting a collaboration allows the post to appear on both your club's feed and the SRWTC feed, increasing visibility for your gymnasts and your club.

Please ensure all shared content follows British Gymnastics safeguarding and media guidelines.

How do competitions work?

Age of competitors

In Gymnastics the age of entrants is taken as the age they will be on December 31st of the competition year. i.e. if a gymnast will turn 10 on November 30th they will compete as a ten-year-old for the whole year.

The different type of gymnastics

This document covers the rules for Women's artistic competitions that take place at a regional level. Other committees in the South will organise rules for other gymnastics disciplines.

County committees will organise the competitions for their county.

South Region is made up of

- Berkshire
- Hampshire and Isle of Wight
- Buckinghamshire
- Oxfordshire
- The Channel Islands

The type of competitions

Competitions are split into two categories; see Appendix 1 for more information.

i) Grades

These take place at the start of the year usually. There are different levels and names of grades for different levels of gymnastics. There are criteria and age bands for some grades. Grades have set routines or set moves to put into a routine. Usually, gymnasts can only complete one grade a year. It is not compulsory to take grades. Coaches will work with gymnasts to find the correct pathway of grades for each child, and they can switch between.

Preparation Grades: Grade 1 (min age 8), Grade 2 (min age 9) and Grade 3 (min age 9).
Gymnasts can take their grade at their county competition. The top scoring gymnasts will be invited to then compete at the Regional finals.

Development Grades: Grade 1 (min age 10), Grade 2 (min age 11), Grade 3 (min age 12) and 4 (min age 13)

Gymnasts can take their grade at their county competition. The top scoring gymnasts will be invited to then compete at the Regional finals.

Performance Grades: Grade 1(min 10yoa), 2 (min 11yoa), 3 (min 12yoa) and 4 (min 13yoa)
Gymnasts take these grades directly at a regional final. The top scoring gymnasts are invited to be part of the South Team at the National Performance Grades Championship

Excel Grades: Grade 1 (min age 9), Grade 2 (min age 10), Grade 3 (min age 11)
Gymnasts take grades 1 and 2 at a regional final. The top scoring gymnasts at grade 2 are invited to be part of the South Team at the National Excel 2 championship. Gymnasts take grade 3 at the National Excel championship directly but are usually offered a practice competition at the regional Excel competition. If a gymnast passes Excel 3, they become eligible for the British Championships the following year.

ii) Voluntaries

Most gymnasts will follow the **Classic Challenge rules**. Different categories have different levels of difficulty required. Competitions usually take place in Summer-Autumn.

Tin: Min age 8. This is the lowest level. It is competed at County competitions but not offered at a regional level.

Zinc: Min age 8. Gymnasts will compete at a county level. The top scoring gymnasts are invited to the regional finals.

Copper: Min age 9. Gymnasts will compete at a county level. The top scoring gymnasts are invited to the regional finals.

Bronze: Min age 10. Gymnasts can directly enter the regional finals and the top scoring gymnasts are invited to be part of the South team at the National Classic Challenge Championships.

Silver: Min age 12. Gymnasts can directly enter the regional finals and the top scoring gymnasts are invited to be part of the South team at the National Classic Challenge Championships.

Gold: Min age 14. Gymnasts can directly enter the regional finals and the top scoring gymnasts are invited to be part of the South team at the National Classic Challenge Championships.

For gymnasts following the Excel Grade pathway there are corresponding **FIG Development Levels**. FIG level 1 (only competes at regional level), Level 2 (competes at regional level and the top scoring gymnasts are invited to be part of the South team at the National finals) and Level 3 (competes only at the National finals, but have a practice at the regional event)

Older gymnasts will start using the International rules (**FIG**) at competitions.

Aged 12-13: Aspire level FIG.

Aged 14-15: Junior level FIG.

Aged 16+: Senior level FIG

How clubs can enter South competitions

For clubs to compete in South competitions they need to register with the South Region Management Committee. This committee sits above SRWTC and manages the region as a whole. South membership forms will be shared with clubs and their secretary can advise on membership matters. For more information <https://www.british-gymnastics.org/south>
For some South competitions clubs can enter any eligible gymnasts. For others they need to qualify via their county competition.

Classic Challenge

There is no requirement to move up a level for the Classic Challenge due to the rules incorporating capped D scores and barred elements, however coaches are expected to enter gymnasts into a level which is fair, appropriate, and progressive to their development.

COMPETITION ENTRY INFORMATION

Entering a competition

Competition entry will be shared with all clubs at least a month before closing date. Entry must be completed and payment made to the SRWTC account before the entry deadline.

The closing date for all SRWTC events will be **11.59pm** on the advertised day.

Late entries will be accepted after the closing date at twice the competition fee.

The programme and judge rota will be sent to **the club contact on entry** who will be responsible for disseminating the information to coaches, judges and club officers.

Our entry system

We're excited to introduce the South Region Women's Technical Committee (SRWTC) Entry System — our brand-new online competition entry portal, designed and built entirely by the South Region for our own needs. This independent platform has been created to simplify the entry process for Clubs, Organisers, and the Committee alike.

The portal is fully web-based and can be accessed on any device — desktop, laptop, tablet, or mobile. Portal Link: entries.srwtc.com

Getting Started

When you visit the portal for the first time, click "Don't have an account? Sign Up". You'll be asked to enter your Club Name, Phone Number, Email Address, and Password. Please ensure these details belong to the club, not an individual.

Once registered, you'll see your Club Dashboard.

- The SRWTC logo and name appear in the top left.
- In the top right, you'll see your club name, club email, Help button, Settings, and Logout.
- Next to your club name is an edit icon – use this if you need to update your club details (note: **the club email cannot be changed**).

Managing Your Club Profiles

Your portal has four main tabs:

1. Gymnasts
2. Coaches
3. Judges
4. Competitions

You can create a profile for each gymnast, coach, and judge who enters SRWTC

competitions.

This only needs to be done once — the system saves your profiles for future competitions.

To create a profile, select the relevant tab and complete the form.

For gymnasts, you'll be asked for both:

- Full Name (as registered with British Gymnastics)
- Preferred Name (used in programmes and results)

You'll also upload the gymnast's floor music file, which can be updated at any time.

As the club administrator, you can delete or update profiles whenever needed — this is your portal, managed by you.

Entering Competitions

Click the Competitions tab to view all available events.

Each competition displays:

- Name and Level (e.g. Classic Challenge Copper, Zinc, and Disability)
- Date and Location
- Entry Deadline
- Entry Fee

Click Enter Competition to begin.

The entry process is divided into four sections:

1. Select Gymnasts – tick the box next to each gymnast you wish to enter.
2. Petitioned Gymnasts (optional) – tick only those for whom you've submitted a petition.
3. Select Coaches – choose the coaches attending.
4. Select Judges – at least one judge is required to submit an entry.

On the right-hand side, you'll see your entry summary, including total gymnasts, coaches, judges, and total cost.

To complete your entry, you'll need to upload a screenshot of your BACS payment.

The account details and payment reference will be displayed on your screen — please ensure your reference matches your transfer.

You can save your entry at any time and return later.

Once ready, click Submit Entry.

After Submission

Your entries can be viewed at any time in the Competitions tab.

Entries will show as "Completed" — click View Entry to review.

If you need to make withdrawals, go to View Entry, select the gymnast(s), click Withdraw, and confirm. This automatically removes them from the programme.

Viewing Programmes and Printing Numbers

Once the programme is finalised, you can view it directly in your portal. Use the toggle at the top to switch between Full Programme (all clubs) and Your Club's Programme (your own gymnasts only). Click Export Gymnast Numbers to instantly generate a printable PDF with gymnast numbers and names (two per A4 sheet). If your club has submitted petitions, these will be reviewed by SRWTC. Approved gymnasts will be automatically added to the competition list, and you'll be contacted to arrange payment.

Support

This is a brand-new system built completely from scratch for our region, so we expect there may be some teething issues. If you encounter any problems, please click the Help button in your portal or email support@srwtc.com. We'll continue to improve the system and support clubs wherever needed.

Floor music

Music is uploaded via the portal. Spare copies of floor music should be brought to the competition on a phone/pen drive/USB.

Competition fees

All South competitions: **£30** per gymnast (includes two spectators)

Spectator policy

Maximum of 2 spectators are allowed per gymnast entry and this is **included in the entry fee**. Spectators will **not be allowed to pay on the door**. Young children can attend provided they sit on the lap of an adult.

Due to the restricted numbers allowed in the venues, spectators are restricted to 2 per gymnast. However, in exceptional circumstances, extra seats can be applied for, and agreed before the event by emailing the competition team. If extra seats have been agreed, the fee of **£6** per person must be paid into the SRWTC bank account quoting the name of the gymnast. Your name will be given to the door staff at the competition.

Withdrawals and refunds

If a gymnast is unable to compete, please alert the competition team as soon as possible. Please withdraw through the portal.

Your judge is still required to attend the competition.

All competition/trial entry fees are refundable upon receipt of a doctor's note or evidence of injury/serious personal reason for not attending competition. Requests for refunds should be sent to rutheasterling57@gmail.com within ten days of the competition.

Coach qualifications

Please ensure coaches have suitable qualifications for the level of your gymnast.

Lead coach/additional coaches	Pastoral coach
- WAG Level 2 coach (Coach) - WAG Level 3 coach (Club Coach) - WAG Level 4 coach (Senior Club Coach) - WAG HPC/IPC Additional modules signed off by mentors – evidence to be brought to the competition and shown to the Floor Manager - MAG Level 2 coach (Coach) - MAG Level 3 coach (Club Coach) - MAG Level 4 coach (Senior Club coach) - MAG HPC/IPC - NOTE: Men's Artistic coaches are not qualified to coach beam	- WAG Level 1+ coach - MAG Level 1+ coach - General Gym Level 1+ coach

For all Level 2 coaches and above, coach registration is mandatory for all competitions. **Please enter the names of all potential coaches who may attend the competition so they can be checked in advance.**

Should it be necessary to add additional coaches after the closing date email the competition team **as soon as possible**.

Proof of coaching qualification, current membership, DBS and Safeguarding must be provided. A screenshot of the appropriate BG pages will suffice.

Only coaches who hold the appropriate qualifications for the skills being competed by their gymnasts will be permitted to take an active coaching role at South competitions. A Men's Artistic Coach may take gymnasts on Vault, Bars and Floor if their training and qualifications cover the skills being performed.

It is the responsibility of the club and the coach to ensure the appropriate training and qualification has been successfully completed by the nominated coach.

Coaches have a responsibility in relation to the safety of their gymnasts in the competition environment. This specifically includes ensuring the gymnasts are adequately prepared (physically and psychologically) for performing their routines in a competition situation.

All coaches accompanying gymnasts at South events must hold a full/joint/life BG membership for the current year, along with up-to-date Safeguarding and DBS.

It is the responsibility of the club to ensure all coaches and gymnasts have correct membership and where necessary DBS, safeguarding. i.e. if one of these expires between competition entry and competition date it is the club's responsibility to note and rectify the situation.

Pastoral Coaches

WAG/MAG/GG Level 1+ coaches can accompany groups of gymnasts at competitions for pastoral care only i.e. to assist with pastoral needs of a large group of gymnasts, where there are not enough qualified coaches available. They may move springboards and hold gymnasts' numbers up. Please ensure their names are on the entry form.

COMPETITION INFORMATION

Coaches Briefing

- A coaches briefing will take place before each round of the competition.
- Attendance is mandatory by ALL coaches on the floor.
- A coach only needs to attend the meeting on joining the competition, not for each round, but must attend both days if coaching both days.
- Coaches who are not on the entry will not be permitted onto the competition floor.

Competition etiquette

Coaches:

- Must not approach any E panel judges for scores or other information at any point during the competition.
- Must not bring hot drinks or chewing gum onto the competition floor.
- Must follow the BG jewellery policy*

*Participants: A person participating with body adornments or jewellery MUST inform the coach and also remove the relevant items to reduce the risk of injury to the participant, the coach and others.

Coaches: Whilst a coach is carrying out a spotting or gymnast supporting role; all jewellery must be removed. However, if the coach is evaluating performance or giving instruction only; (by this we mean coaching whilst not in direct physical contact with the gymnast or gymnastic equipment), jewellery may be worn.

Exceptions to the above policy may be applicable in special circumstances which are outlined below:

Jewellery that cannot be removed: - It is acknowledged that in some circumstances, it may be impossible to remove a ring and/or dermal piercings. Should this be the case; the ring must be sufficiently covered with protective tape; and the piercings covered sufficiently in order to eliminate any risk. Newly pierced ears Newly pierced stud earrings need to be covered with protective tape but must be removed as soon as possible (normally after six-weeks). For the avoidance of doubt, any jewellery which can be removed, must be removed.

Coaches Attire

We ask coaches to dress professionally and to abide by the footwear rules of hosting clubs. If high cut shorts/see through tops or leggings/revealing vests are worn coaches may be asked to change.

Coaches attending National Finals must wear the prescribed South kit provided.

Gymnasts Attire

British Gymnastics [competition attire rules](#) will be followed:

- Gymnasts **must** wear a suitably supportive, safe and appropriate non-transparent leotard or unitard (one-piece leotard, of full length, shoulder to ankle).
- Gymnasts **may** wear form fitting complete leg coverings.
- Gymnasts **may** wear gymnastics shorts.
- Gymnasts **may** wear alternative Competition Attire in accordance with their particular faith, belief or religion (including head coverings) with the proviso that the Lead Coach or Coach has assessed the risk associated with this and has taken any suitable mitigating action(s), where applicable, to ensure the highest standards of safety are upheld.

Trophies

- Trophies are awarded to overall champions to keep.
- Apparatus medals and place ribbons will be presented at each competition.

Photography at competitions

Flash photography is not permitted at any time during the warm-up or competition.

Spectators and coaches are allowed to photograph or film at competitions for personal legitimate reason e.g. recording their own child. In accordance with [BG policy](#) you must not share these via social media. See section 3.7 of the policy.

If there is anyone at high risk and must not have photos taken, the coach must inform the competition organiser with the entry, and photos/videos will be banned in that round.

First Aid and gymnast welfare

Every SRWTC competition will have a qualified physiotherapist/first aider who is suitably first aid trained in attendance for the entire competition, including warm up.

If a gymnast is injured or falls during the competition the physiotherapist will make the decision about whether they are fit to continue the competition.

If a gymnast is injured during a competition or squad training it is the responsibility of their club to report this to BG if required.

Judges will watch the warmup and have the right to prevent a gymnast attempting a move in competition which they cannot perform safely in warm up- as per FIG and BG rules.

The safety and welfare of the gymnast will take priority in all such matters.

Refreshments

Coaches from the competition floor will be welcome to hot drinks and snacks.

Inquiries

If there is a query on a score, a coach may choose to do one of two things:

1. 1. make an informal verbal inquiry to the D Panel Judge for feedback (at end of the rotation/competition) **OR**
 2. submit a formal inquiry (using forms provided by WTC). via the Competition Organiser, the Floor Manager or the Head Judge directly as soon as possible before the end of the round.
- Inquiries can only be made against the D score for the coach's own gymnast.
 - Comparative scores of other gymnasts will not be considered.
 - Video footage cannot be considered and will not be used in the settlement of inquiries as per the National Competition Handbook
 - The score will be reviewed by the apparatus panel who may seek advice from other senior judges if needed.
 - Coaches will not be permitted to be present while the review takes place and must move completely away from the judges at this time.
 - Verbal notification of the result of the review will be provided by the apparatus panel via the Head Judge.

In the spirit of continually improving the standard of judging and improving the experience for gymnasts, coaches are encouraged to ask for feedback on D or E scores via the Head Judge at the end of the round.

JUDGE AND OFFICIALS' INFORMATION

All Clubs need to volunteer a **qualified judge/welfare officer** in order to enter South Region competition. If you would like to nominate a welfare officer for the day instead of a judge, please contact the judge convener in advance of entering. Welfare officers must be registered with BG and hold suitable credentials. They will receive travel expenses.

Uniform

All judges should wear the official FIG judging uniform at all levels of competition. Navy blue suit (with skirt or trousers), white shirt/blouse/top, suitable shoes. Dark blazer/jacket, grey/dark trousers, white shirt.

Judging Requirements

- Clubs must ensure that their nominated judges are aware and available for the duration of the full competition day (unless otherwise agreed with the judging convener)
- Substitute judges must only be used with prior consultation and agreement with the Judging Convenor and should be the same or higher qualification.
- If a judge is unable to attend, they must let the judging convener know as soon as possible- at the latest on the morning of the competition.
- Reserve Judges should keep the date free in case they are needed last minute. They are not required to attend on the day of the competition unless contacted by the Judge Convenor prior to the event.

Consequences of not providing a judge/Welfare Officer

- If your club's nominated judge/welfare officer is not available for the whole day once the judge rota is published your club must find a suitable, qualified replacement or face a fine and escalation.
- On the first occasion that your club fails to fulfil these criteria you will be allowed to compete but will need to pay a fine of £250.
- On a subsequent occasion your club will be charged double the entry fee (or a minimum fee of £500, whichever is highest)
- On a third offense your gymnasts will be unable to compete at that competition.

Judge Responsibilities

- Arrive in plenty of time for the advertised judges' meeting.
- Possess and have studied the current rules for the competitions they will be judging and have suitable recording materials.
- During the competition phase, judges should not have contact with coaches, gymnasts, members of the audience.
- Not leave the competition arena without informing the D Judge as this could delay the competition.
- Behave in a professional manner and judge impartially without bias.

Officials Expenses

Judges and officials should claim expenses through the SRWTC expense form within a week of the competition. This should be returned to the judging convener.

Judges: Travel expenses and honorarium for judge expenses such as printing, materials

Scorers: Travel expenses and honorarium for computing and equipment expenses

Welfare officers: Travel expenses

Competition floor manager (1 per host club): Travel expenses

Travel Expenses

- £0.45p per mile mileage (one judge in vehicle) **OR**
 - £0.60p per mile mileage (more than one judge in vehicle) **OR**
 - Public transport expenses- please confirm with judging convener and keep receipt
 - Any expenses that create tax liability are the responsibility of the official to record.
- Public transport expenses are encouraged for environmental reasons- we ask for screenshots/photos of receipts to be sent along with the expense form. Where possible please book the most economical options.

Honorarium per day of competition

Club Judges £15

Regional Judges £20

National and Brevet Judges £25

Hotels

If an official has a long journey and the competition has an early start/late finish the SRWTC will endeavour to cover hotel costs (max £100 a night). Please speak to the judging convener before booking. Please attach receipt to expense form.

Refreshments

Suitable refreshment and lunch will be provided at the competition venue for officials.

Payment terms

Anyone providing SRWTC with a service will be paid by BACS **within 28 days** from the receipt of a valid invoice/official's expense form. If payment is needed more urgently, please inform the treasurer as soon as possible.

Supporting clubs to qualify judges

The SRWTC believes in supporting judges across the region. Anyone who completes a Women's Artistic Gymnastics qualification and intends to judge in the region (and their county) can claim their exam fees back from SRWTC. Their club will need to send proof of qualification and payment to our treasurer along with the bank details for the payment. If judges who benefit from this financial support do not judge regularly in the region or their county, they may not be offered support for future qualifications.

NATIONAL COMPETITION INFORMATION

South Team selection

For South competitions that are qualifying events for national finals selection shall follow the rules and guidance in the National BG WTC handbook for 2026.

At the end of the competition once scores are confirmed selected gymnasts will be asked to confirm their availability for the team.

- SRWTC will enter the team and pay the entry fee once gymnasts and coaches are confirmed.
- It is the responsibility of each club to ensure the attending coach is qualified to a suitable level for the skills the gymnast is performing or agreeing in advance for another coach from the South team to stand in to provide suitable cover. This must be agreed in advance.
- Coaches of selected gymnasts will ensure correct floor music is uploaded
- Coaches will ensure their own and their gymnasts membership requirements are up to date before the closing date of the National competition.
- Kit manager will send the treasurer the list of gymnast names and will receive a code to share with clubs of competing gymnasts.

For Team selection for other invitational events where Team South is competing the Regional coaches will circulate selection criteria and invite gymnasts to put themselves forward to the team. If selection disputes arise the co-chairs will mediate.

South Team kit

Gymnasts are required to wear South Team kit for competitions where they are representing the region.

This is hired from the region for each event at a cost of £20 per competition.

The Team kit manager will liaise with clubs or via squad events to get gymnast sizing and to ensure gymnasts have the right kit.

Parents or clubs will need to pay the hire fee direct to the SRWTC bank account using the reference of their child's name and a code. The code for that competition and the bank details will be shared with them by the kit manager.

Team Managers

For all Regional team finals, a Team Manager will be appointed. The coach of the winning gymnast at the regional finals will be the manager unless agreed otherwise with the SRWTC. The main duties of the team manager are listed below:

1. Co-ordinate and lead team training events (or work alongside an appointed team coach to oversee the training events)
2. Collect training fees (if applicable) from gymnasts at each training event.
3. Keep a register of gymnasts at team training.
4. Complete and submit the working order for the finals*
5. Distribute information about the finals to all gymnasts and coaches.
6. Distribute information about team training events to all gymnasts and coaches.
7. Ensure gymnasts and coaches liaise with the kit manager and have their kit.
8. Register gymnasts at the finals.
9. Ensure that there is a nominated person on each competition day to collect all kit from gymnasts and coaches who will return it to the official kit organiser. This may be the Team Manager, a coach or one of the parents. If the kit is not returned on the day of the competition to the nominated person, it is the responsibility of the coach/parent to return that kit within one week of the competition to the official kit organiser.
10. Put in any inquiries. Any unsuccessful inquiries incur a fee and the inquiry fee is liable to the coach/club of the gymnast in question.

*Gymnasts will usually compete in reverse order, on each apparatus, as placed in the qualifying competition. If competition rules make apparatus selection complicated the SRWTC will make a collective decision before the competition. If on the day decisions are needed the Team Manager will have final say.

For 2024 only

As this is the first year of the new National Development Plan grades, gymnasts will be able to enter at a level that is most appropriate for them, regardless of the grade they competed in 2023. Gymnasts who had previously completed the previous grades will also be eligible to enter at a level that is most appropriate for them.
